USC-AIKEN INCOMPLETE
GRADE CONTRACT

TO BE TURNED IN BY THE INSTRUCTOR WITH ALL SIGNATURES PRIOR TO ENTERING GRADES ON VIP.

NOTE: A grade of “I” should not be assigned in situations where a student will need to retake a significant portion of this course, and this contract should in no way stipulate such. An “Incomplete” should be assigned only when a student has missed a final exam or has not submitted a term paper, for example, for reasons of illness or some other unavoidable circumstances. In some cases, it may be more appropriate for the student to consult with the Executive Vice Chancellor for Academic Affairs about the possibility of withdrawal due to extenuating circumstances. (Refer to current bulletin.)
