Young Alumni Give 25!

Did you know that over 4,100 USC Aiken students have become alumni in the past ten years? When united, a group this large can truly make a difference. That’s why the Young Alumni Committee was created, to provide young alumni like you exciting ways to network professionally and socially. This committee is busy planning opportunities for you over the next year.....

You also have the power to greatly influence the current students at USC Aiken. You were one of them just a short time ago, and know what type of support it takes to succeed in college. Today, we are asking you to join us in the “Young Alumni Give $25” campaign.

We know you’re thinking, “I’m young, what difference can I make?” All gifts, regardless of size, are important. We ask that you consider designating your gift to the “Alumni Fund,” so your money will go directly towards scholarships for current students, but you may choose to support any academic area, athletics, or any other area of your interest at USC Aiken.

Currently, only 5% of alumni at USC Aiken have given this year, but you can change that statistic. Your participation is what matters most! Your gift is tax deductible and also serves as your membership into the Alumni Association. If you have any questions, feel free to call the Alumni Office at 803-641-3480 or randyd@usca.edu.

If you are interested on being a member of the Young Alumni Committee, please let me know that as well......

Sincerely,

Randy Duckett
Director of Alumni Relations
and Community Partnerships
