About

- I am majoring in Elementary Education with two certificates, one in leadership and one in gifted and talented students. I love to spend time with my family and friends, and I love to stay active and go for walks! When I graduate, I plan to teach fourth grade! I chose USC Aiken because I attended a small private school my entire life, so I have always been used to a close school community. When I stepped on campus, it immediately felt like home, and I felt the same sense of community that I've always known!

Campus Involvement

- Student Life Office – Student Receptionist
- Teaching Assistant for University 101
- Teaching Fellow
- Delight Ministries
- Leadership Certificate Program

Fun Facts

- I would love to travel to all 50 states one day!
- Favorite USC Aiken Tradition: Holiday Fest
- I could eat chicken tenders and fries every day!
