About

- I have a big heart for working with children and staying active in my community. I chose USC Aiken because I wanted to go somewhere that cared about me and led me to better opportunities. I thrive as a campus leader and mentor, where I get to support others, build genuine connections, and keep growing into the best version of myself. My dream is to become a speech therapist, helping children find their voice, strengthen their communication, and gain the confidence they need to learn, succeed, and shine.

Campus Involvement

- Alpha Kappa Alpha Sorority, Inc. – President
- AIM Mentor
- Student Assistant for the Alumni House

Fun Facts

- I danced in the Macy's Thanksgiving Day Parade.
- I love to travel.
- I love going to get ice cream with my sorority sisters after chapter meetings.
