

Jamie Dallas

Class Year: Junior

Major: Criminology and Criminal Justice

Minor: Anthropology and Geography

Hometown: Dumfries, VA

About

- I am a non-traditional college student who wants to leave an impact on the communities around me. I chose USC Aiken because my grandfather helped build the university when it was first being constructed, and I feel like he would be proud that I study where he laid bricks. I aspire to join the Air Force after graduating and completing their officer program.

Campus Involvement

- Alpha Phi Alpha Fraternity, Inc. – Public Affairs
- Gregg-Graniteville Library – Circulation Desk
