About

- I am a biology pre-medical student interested in becoming an OB/GYN physician. I embody kindness and aspire to combat health disparities globally. I chose to attend USC Aiken because of its small size and caring community.

Campus Involvement

- Vice President of African Students Association
- Vice President of Pacer PreHealth
- President of Bridge Health Initiative

Fun Facts

- I am left-handed.
- I love to write stories.
- I enjoy thriller movies and shows at any hour of the day.
