

Sydney Newell

Class Year: Sophomore

Major: Environmental Earth Systems

Hometown: Aiken, SC

About

- I chose USC Aiken because I value its close-knit community and have always felt welcomed and at home. As an Environmental Earth Systems major, I plan to specialize in hydrology. After graduation, I hope to pursue a career as a Water Resources Specialist and later earn a master's degree.

Campus Involvement

- PUB Student Coordinator
- Chancellor Ambassador
- Leadership Certificate Program
- Honors Program
- WORC Scholar
- Delight Ministries
- Horticulture Club

Fun Facts

- I am originally from Massachusetts.
- I dislike all seafood.
- I love to read.
