

SCHOOL OF Business Administration

Certificate in Real Estate

Learn how to analyze markets, evaluate investments, and make real estate decisions – skills relevant in any business career.

Use your electives to graduate with two degrees: your major and a Certificate in Real Estate!

This program is perfect for...

- Students from any major interested in real estate, investing, or development
- Exploring careers in real estate or related industries
- Students looking to build analytical and decision-making skills

What you can learn

- Analyze real estate markets, property values, and trends
- Evaluate investment and financing decisions
- Understand real estate development processes and tools

Analyze Markets. Evaluate Opportunities.

Build practical skills in real estate and learn to evaluate investments using ARGUS, an industry-standard platform for real estate financial analysis and valuation.

Program Curriculum

- FINA A300 – Real Estate Investing
- FINA A340 – Real Estate Financing
- FINA A405 – Real Estate Development
- FINA A410 – Topics in Real Estate
